

From one Doctor to another,

My name is [Dr. Andrew Moore](#). I have a [Chiropractic practice in San Antonio](#), Texas and have been working with James Cunningham for four years. He is my Financial Advisor, Accountant, Estate Planner, Insurance Agent and friend. I would like to share my experience with and offer a personal recommendation for [CFG Consulting](#), James Cunningham, his Business Consulting Team and the Family Bank concept.

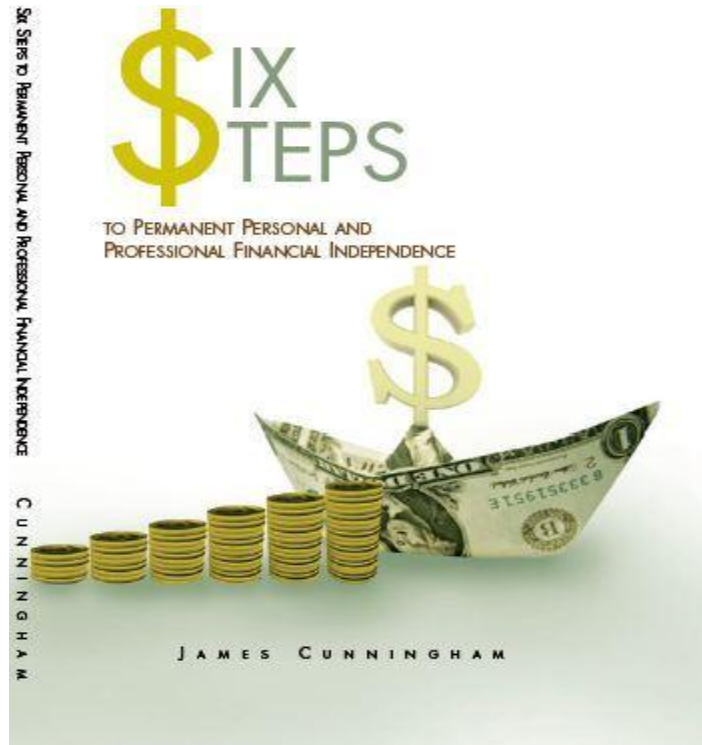

If you are anything like me, your first reaction to these ideas and concepts may have been that it just sounds too good to be true. I can assure you, however, that I have overcome my hesitation and doubts. I am now completely sold on the strategies James prescribes. So much so, in fact, that I have taken the necessary measures and become a licensed life insurance agent in the State of Texas myself.

My reasons for becoming an agent were two-fold. First I wanted to insure that I was making the right financial decisions for myself and my family and secondly, I wanted to have the ability to share what I have learned with fellow business owners like us. I know firsthand the financial challenges we face. I can assure you that following the

strategies and concepts suggested by both James and CFG Consulting can make a monumental impact on your financial stability and your future retirement financial security.

Not only have the Family Bank concepts exceeded my expectations but I have also had the opportunity to share James' concepts with many other business owners and I intend to continue to do so.

James has a soon-to-be-released book about to hit the market called *Six Steps to Permanent Personal and Professional Financial Independence* that outlines his strategies and helps integrate your personal financial situation into a plan of action. He is offering a pre-sale 50% discount on his website. I highly suggest reading it. James is a gifted financial strategist and writer and for less than the cost of a latte', you can add the eBook to your library.

You should know Doctor that I have been offered nothing in return for my endorsement. My recommendation is sincere. You have nothing to lose and everything to gain. I suggest you make the call today. If you have any questions please feel free to contact the staff at Cunningham Financial at 801-878-9091 or contact me directly at 210-336-3300.

Sincerely,

[Dr. Andrew Moore, DC](#)
